THE EIGHTEENTH GENERAL COURT

THE EIGHTEENTH GENERAL COURT OF THE NATIONAL SOCIETY, DAUGHTERS OF FOUNDERS AND PATRIOTS OF AMERICA, was convened at The Raleigh, May 13, 1916. National officers, representatives of the State Chapters, and members of the Society were present. All joined in the salutation to the Flag and the Lord's Prayer, after which the National Vice-President, Mrs. Thomas K. Noble, addressed the assembly in the following words of welcome:

WORDS OF WELCOME.

May 13, 1916.

DELEGATES AND MEMBERS OF OUR NATIONAL SOCIETY:

In the absence of our President it becomes my pleasant privilege to welcome you to the Eighteenth General Court of the National Society of Daughters of Founders and Patriots of America.

This is our "annual feast," to which you come to hear your National Officers give an account of their stewardship, and in your turn to bring us tidings of the work of our organization in your States. I extend to you to-day a special welcome because it is our eighteenth birthday. The maiden, you know, takes on new beauty and begins to assume womanly graces at eighteen, and, with a broader outlook on life, realizes something of her obligations and responsibilities; so, today we should appreciate more fully than ever before our splendid inheritance and realize more seriously our obligations to this unique Society, which takes its place in the very front rank of our patriotic organizations.

Its record takes us back to an ancestor who lived and wrought in the strenuous days of the beginning of this great Republic, and then comes down in direct male line to a Patriot of the Revolution, thus combining the eligibility

record of the Colonial Dames and the Daughters of the American Revolution.

Should we not take serious thought of our own lives, and of our beloved Society, on this eighteenth birthday, so that the record we have inherited and of which we are justly proud, can be passed on to the coming generation with its luster undimmed by any act of ours?

Let us in all our planning put away self-seeking and vain ambitions and join hearts and hands for the peace and highest good of this Society.

ESTHER FROTHINGHAM NOBLE,
Vice-President.

REPORT OF THE NATIONAL RECORDING SECRETARY,

MAY 13, 1915, TO MAY 13, 1916.

During the past year the Executive Committee has held seven regular and three special meetings, at which important and interesting work has been accomplished.

Our work is varied and our interests many; and our endeavor is to stand for what is best for our National Society, our Chapters, and our Country. During these stirring times, when the atmosphere tingles with uncertainty, we have declared in favor of Preparedness. When it was presented to us that no provision was made in the new Red Cross building dedicated to the Heroic Women of the Civil War for a memorial to that wonderful and self-sacrificing woman, Clara Barton, we appointed a committee to draft suitable resolutions, which were handsomely engrossed, and personally presented to the President of the United States, who sent them to the Red Cross Association, where they will receive due consideration. We hope that these, with others of a similar character, will obtain the recognition due the founder of the American Red Cross.

By action of the Committee, the lineage of our members is to be printed separately from the Year Book and list of members, and sold to each member desiring a copy.

The recognition pin authorized by the last General Court

has been selected by the Executive Committee from the designs submitted by Caldwell & Co., and can be purchased for one dollar.

The Society has enjoyed several very pleasant social events. The Tea and Informal Conference held on the 18th of April was well attended by our distant and home members, and it was a great pleasure to the Executive Committee to meet with those for whom it is a pleasure to work. We hope that a greater number of members will be present each year. Mrs. Hodgkins, a Councillor, gave a beautifully appointed tea for our founder, Mrs. Boynton.

The number of Chapters is increasing. Both California and Colorado are forming Chapters, and there are whispers that Vermont will soon enter the ranks.

With much regret I have to announce two resignations among our National Officers, and several deaths among our members.

We are disappointed in not having with us a representative of the Men's Order of Founders and Patriots, Mr. Theodore Anthony Van Dyke, former Governor-General of the Society from Pennsylvania.

The Executive Committee has had an interesting experience resulting from the patriotic action of one of our Chapters. We were addressed by Miss Lyda Burton Conley, attorney-at-law, a Wyandotte Indian, from Kansas City, Kans., who came to express her gratitude that the grave of Gov. William Walker, a Wyandotte Indian and the first Provincial Governor of Kansas and Nebraska Territory, had been located by our Kansas Chapter, and that a marker had been placed on his grave by the ladies of Topeka. This brave woman told of her struggle to save the Huron Cemetery, which is the only Indian cemetery in the world given by the Government to Indians as a reservation. It is located in the heart of Kansas City, and when for business purposes the city sought to change the location, Miss Conley actually pitched her tent, armed herself, and kept the ground from desecration. When force of arms was no longer necessary

she fought the case through the courts. Finally Congress decided that the cemetery should always be preserved in its present location in order that the treaty to the Wyandotte Indians might be fulfilled. This fight to save the graves of her ancestors was a story full of true heroism and was interesting and inspiring.

We hope that each succeeding year may bring still more important and interesting data to the Recording Secretary's desk.

Respectfully submitted,

EMMA CULVER JONES,
National Recording Secretary.

REPORT OF NATIONAL CORRESPONDING SECRETARY.

MAY 13, 1915, TO MAY 13, 1916.

It gives me great pleasure, after the lapse of a few years, to again report as your National Corresponding Secretary the work accomplished during the past year.

Notices of the seven regular and three special meetings of the Executive Committee have been sent to all members; this means not only the National Officers and Councillors, but all State Chapter Presidents and Vice-Presidents—forty-seven in all. Membership cards, histories and constitutions to the fifty-one members elected during the year.

It has been my sad duty to write letters of sympathy to the families of eleven of our members who have passed into life eternal:

Mrs. Dowell, one of our National Councillors and a member of the District of Columbia Chapter; Mrs. Brookmire, Missouri; Mrs. Hyndshaw, Iowa; Mrs. Wagar, Ohio; Mrs. Wean, Illinois; Mrs. Moore, New York; Mrs. Van Kirk, Pennsylvania; Mrs. Smith, Delaware; Mrs. Pearson, Ohio; Mrs. Crocker, Connecticut, and Mrs. Jenison, Michigan.

Also letters of sympathy to our own members whose loved ones have passed to the beyond.

The printing of our yearly history was unavoidably de-

layed, and not mailed until after the Christmas holidays, owing to the crowded condition of the mails. One was sent to every member. Many acknowledgments and thanks were received.

Cards of invitation to the Tea and Informal Conference, April 18, 1916, with the notice of the convening of the General Court, May 13, 1916, under the same cover, were mailed to every member of the Society.

Sets of histories from 1908 to date have been placed in the custody of six of the officers for safe keeping.

A handsome and complete Year Book, containing all information, has been received from the President, Mrs. Tozier, of the Ohio State Chapter, and much appreciated.

The President of the Illinois State Chapter writes that their Year Book will be ready to send out after the General Court.

These books and any information from the Chapters as to changes of addresses, marriages, resignations, and deaths are a great help to the National Corresponding Secretary in preparing a correct list of the members for the Year Book.

Many of the Chapter secretaries have kindly responded to my request for a list of their newly elected officers.

Caldwell & Co. have advised the Executive Committee that hereafter a safety catch will be attached to the pins of our insignia.

Many have requested that our membership cards should be large enough to frame, as they take the place of a certificate.

A card, buff in color, with a wider margin, engraving the same, has been decided upon, and any member can receive one by returning her old card and twenty-five cents.

The necessary supplies have been ordered for the use of the officers.

Membership cards issued, 62; histories, 868; cards, 705; postal cards, 276; Constitutions, 94; letters written, 380; received, 235.

Resignations, 4; the membership to date, 703; the last National Number, 868.

The report of your National Corresponding Secretary shows the vast amount of work necessary in this office.

Many letters of appreciation and kind words from the old members, as well as the new, have been an inspiration and a help to make the work of the past year a pleasure.

Respectfully submitted,

MARY LAWRENCE MARTIN,
National Corresponding Secretary.

REGISTRAR'S REPORT.

Madam President and Members of the General Court:

I herewith present the following report of my department from May 13, 1915, to May 13, 1916.

Letters received	239
Letters written	279
Postals received	20
Permits issued	32
Applications received	49
Preliminary Blanks issued	155
Application Blanks issued	31 sets
Names proposed for Membership	68
Members elected	70
One member reinstated.	
Actual membership	709
Last National Number issued	873

Of the members elected this year seventeen are members-at-large—five from New York, two from Iowa, and one each from California, Colorado, District of Columbia, Illinois, Massachusetts, Ohio, Tennessee, Texas, Vermont and Virginia.

Ohio leads the Chapters, with seven new members; Massachusetts and Michigan have six each; Connecticut, four; Pennsylvania and Virginia, three each; Arkansas, District of Columbia, Illinois, Kansas and New York, two each; Missouri, one.

With fourteen State Chapters fully organized and others in process of formation, the year has been one of activity. Increasing interest in the objects and requirements of the

Society is being manifested by patriotic women in all parts of the country, and many letters of information have been sent by the National Registrar in response to queries along these lines.

The use of preliminary blanks having been authorized by the Executive Committee, the Committee has ruled that no final application blanks shall be issued by the National Registrar to Chapter Officers until she has received a completed and verified preliminary paper from the Chapter Registrar. She will then reexamine it and, if found correct, will forward the final blanks to the Registrar, who attends to the details of admission through the Chapter. This method has received much commendation, as it lessens the embarrassment of an applicant if her eligibility can not be established, and eliminates all money considerations until after eligibility is assured. The responsibility of the Chapter Registrar is not lessened, but all her examination and verification is confined to the preliminary papers.

The work of printing the records is progressing. Fifty numbers are now ready, and on the completion of the following fifty, which are now under way, all will be turned over to the printer.

At the close of my term of office I wish to express thanks to the members of the Executive Committee, all of whom have been most helpful to me in my work—especially during the past year, when I have needed sympathy and assistance. To the Chapter Registrars I also feel indebted. Together we have “borne the burdens,” and almost without exception I have found them competent and interested in building up the Society with material that shall stand the test of time. In one instance only has there been failure in courtesy or lack of harmony, and I bespeak for my successor continued coöperation in following the rules formulated for carrying out the ideals of the honored and beloved Founders of the National Society of the Daughters of Founders and Patriots of America.

RUTH M. GRISWOLD PEALER,
National Registrar.

ANNUAL REPORT OF NATIONAL HISTORIAN.

(May 13, 1916)

The Historian's duties pertain to the traditional papers contributed by members of our Society. The present condition of papers on hand shows an accumulation of material. Their value for printing varies, for many reasons—especially when the expense of every printed word is taken into ac-

count and the imperative use of our funds from our small annual dues is considered.

Your Historian plans to solicit a paper from each of our members who has not contributed, and arrange those now in her office preparatory to editing the same.

To the membership everywhere your Historian appeals for their best efforts in illustrating their papers with pictures of old houses, persons, and places connected with these, thus enhancing their value for preservation and circulation. The expense of these illustrations will be met by the donors, while the Executive Committee meets expense of printing, which we hope for as soon as our Lineage Records have been printed to date. Contributions from Chapters toward expense of this work will be most acceptable.

Your Historian's ability to execute these plans depends upon the individual and collective support of our whole membership, and no other society is better equipped to preserve American folklore from the founding of this country to the present day.

Respectfully submitted,

ROBERTA MAGRUDER BUKEY,
National Historian.

REPORT OF THE FLAG COMMITTEE.

The New York State Chapter of the Daughters of Founders and Patriots of America has done most successful work for the protection of the Flag this past year. Through the efforts of their Recording Secretary, Mrs. Ella E. Bradley, a glove concern, making an objectionable use of the Flag in an advertisement of their business, was induced to discontinue the offense. Mrs. Bradley also rescued small flags thrown about after service. Much work could be done in objecting to and opposing the use of flags for unsuitable ornamental and decorative purposes.

Respectfully submitted,

FRANCES HARRISON CORBIN,
Chairman.

REPORT OF SPECIAL COMMITTEE ON RECOGNITION PIN.

At the meeting of the General Court, May 13, 1915, a suggestion was made by Mrs. Martin that this Society adopt a Recognition Pin, which should be "small, inexpensive and appropriate to wear on all occasions." After general discussion a motion to that effect was made and passed unanimously.

At the meeting of the Executive Committee in June our President, Mrs. Cox, appointed the following committee: Mrs. McIntosh, Chairman; Mrs. Main, Mrs. Hannay, Mrs. Semmes and Miss Hewitt.

Many suggestions were received and sent to Caldwell & Co., who submitted eight designs from which selection was made.

The design is a triangle, showing our three colors placed on the folds of a gold ribbon on which are the letters N. S. D. F. P. A. in blue enamel.

The regulation pin adopted will be of heavy gilded bronze and enamel and will cost \$1.00. If one of finer quality is desired Caldwell & Co. will furnish it in 14 karat gold, with safety catch, \$3.50.

Permits for the pin will be issued by the National Registrar.

Respectfully submitted,

ELLA CHAFEE MCINTOSH.

Mrs. Corra Bacon Foster offered the following motion, which was unanimously approved.

WHEREAS, There is being erected in the city of Washington a building in honor of the women of the Civil War for the use of the Red Cross; and,

WHEREAS, At the laying of the cornerstone of this building no recognition was given of Clara Barton's great service,

Resolved, That the President of the United States be asked to suggest that a suitable memorial be placed therein to Clara Barton, Founder of the American Red Cross.

The following resolution was unanimously passed with a rising vote:

Be it Resolved, That the National Society Daughters of Founders and Patriots, in General Court assembled, hereby declares itself committed unconditionally to national preparedness for the defence, by land and sea, of our people and our country, to which and for which we solemnly pledge our absolute allegiance over all parties and before all nations.

HELEN M. BOYNTON.

The following resolution was adopted and the committees appointed:

Moved, That a committee of five be appointed by the President to study the constitution with reference to amendments; also to prepare supplemental By-Laws and report to the General Court of 1917; said report to be sent by Corresponding Secretary to every member of the Society during that year; said amendments to be acted upon at the General Court of 1918.

CHARLOTTE EMERSON MAIN.

Committee on Constitution—

Mrs. Charlotte Emerson Main,
Mrs. Henry V. Boynton,
Mrs. Charles H. Armstrong,
Mrs. D. Phoenix Ingraham,
Mrs. John J. Myers.

CONNECTICUT REPORT.

Madam President and Members of the General Court:

Connecticut has held its usual three meetings this year, which were well attended and very interesting.

The Chapter was invited to be present at a meeting of the Sons of the American Revolution in February, and has entertained representatives of the Men's Order of Founders and Patriots.

On account of ill-health, our President, Mrs. Armstrong, has declined reelection. This caused great regret, for she

has been a most efficient officer. Mrs. Frank A. Corbin was elected in her place.

Our Chapter membership numbers one hundred and fifteen.

It is with keen sorrow that we report the loss of three members—Mrs. J. A. Crocker, of New Haven, by death, and Mrs. C. F. Taylor and Mrs. C. B. Peets by resignation.

Nineteen-fifteen has been marked by peace and good-fellowship. Thus the work has been a pleasure, as it was shared by willing hands and directed by a most gracious president.

Respectfully submitted,

FLORENCE A. WAKEMAN, *Secretary*.

Mrs. Robert S. Goodwin, Delegate, pledged for the State \$10.00 toward the printing of the Lineage.

NEW YORK REPORT.

Madam President and Ladies of the Court:

As the new president of the New York State Chapter I have the honor to make this report.

Our work is continuing as planned by our former president, Mrs. D. Phoenix Ingraham. One new member was added last year. Our New York Chapter is principally made up of members throughout the State, comparatively few living in or near New York City; consequently our meetings are not largely attended by New York City members. Many who attend regularly come from near-by New Jersey towns.

We have lost by death several old and valued members during the year, thereby curtailing our membership and income.

It was planned several years ago to have an extra fund for emergency and patriotic use, which it is intended to keep up, as it has proved very useful.

We have had some delightful social meetings, fully attended and great interest shown. We are now planning some definite *new* patriotic work. Historical papers have been read at our social gatherings, and we plan more of this sort of work for the coming year.

We have given to no definite patriotic work this year, but

we expect to do so and are working hard to raise money for such work, as all our members are very enthusiastic to accomplish something.

We have five who are eligible for entrance and are needed to keep up our average membership.

Our members send their kindly greetings to the ladies of this Court. They are very proud of their membership in this Society and always seem gratified to receive the Year Book and look forward with interest to its arrival, and we extend thanks and appreciation for the work of the same. We are happy to say that the New York Chapter will always be ready to uphold the work of the National Society and to assist in every way possible.

Respectfully submitted,
ADA DAVIS WARD, *President*.

PENNSYLVANIA REPORT.

Madam President and Members of the General Court:

During the past year we have taken our ease and enjoyed ourselves, after placing our beautiful door in the Memorial Building at Valley Forge.

The Pennsylvania Society in New York City has given an account of this work in its Annual Report of Pennsylvania's Historical Memorials.

On May 15 our Vice-President entertained us in her artistic home. It was our first garden party, and as we were only thirteen years old we enjoyed it with youthful enthusiasm and really felt that we were just entering our 'teens.

Prior to this we received an invitation from our brother society, The Order of Founders and Patriots of America, to attend their annual banquet of May 13. It seemed more gracious to accept this invitation as President of Pennsylvania Chapter than to attend our own General Court held the same day.

The gentlemen of this Order were most polite, and promised to invite us again when their invitation included ladies. To continue our gayety for the year we were invited to hold

our November meeting in Miss Hubbell's home, with its treasures of heirlooms. After business was completed we enjoyed a delicious luncheon.

At our January meeting we endorsed the Navy League Movement. We also joined with other patriotic societies in giving a banquet, which was attended by distinguished members of the Army and Navy, where all declared for preparedness.

Still another festivity was the Washington Birthday party of the Sons of the Revolution.

We have sent a contribution to the camp at Lansdowne for drilling our young men. We have also contributed to the Lineage Fund of our National Society. Our year has inspired pleasant thoughts and kindly deeds, but we have had losses also, which have brought sorrow into our hearts and homes. Mrs. Van Kirk—the dear, gentle, olden-time lady—has been taken from us. Our other loss in the death of Mrs. Blanche Smith is great, although we have known her a very short time.

Now that our year of rest is over, we expect to find some worthy work which will carry out the high ideals of the Daughters of Founders and Patriots of America.

Respectfully submitted,

SARA PATTERSON SNOWDEN MITCHELL,
President.

MASSACHUSETTS REPORT.

Madam President, Daughters of Founders and Patriots of America:

In spite of wars and rumors of war, the Commonwealth of Massachusetts Chapter has happily pursued the even tenor of its way through another year of history. Rather than undertake new work, the Chapter held itself in readiness to meet any emergency which might arise within its province under the menacing conditions of these disastrous times. The usual number of meetings have been held. Last May the members in Springfield entertained at the Young Women's

Christian Association. Luncheon was served, and a programme of rare interest presented, of which special features were a paper on "Some of the Founders and Patriots of Western Massachusetts"; and beautiful singing by two young Italian girls, students at the American International College, to which the Chapter sends a yearly donation.

At the annual meeting in March a luncheon, complimentary to the retiring president, Mrs. William Boyd Holmes, was given at the Women's City Club, Boston. A goodly number was in attendance, and the affair proved most enjoyable. The recent death of Miss Sarah Alice Worcester takes from the Chapter one of its most loyal daughters, who, for many years was in active service as Registrar. Six new members have been admitted, and we enter upon this our thirteenth year of organization with renewed courage and patriotism, trusting that our beloved country may be honorably spared the suffering and devastation so cruelly raging on the other side of the water.

Respectfully submitted,

CAROLINE P. HEATH,
Recording Secretary.

MICHIGAN REPORT.

No report was received from this State.

VIRGINIA REPORT.

Madam President and Members of the Court:

The Virginia Chapter has no special work to report for this year, as in the past, although interest in the Society is much increased. Our Registrar has many applications for membership, and we have four new members.

Our annual meeting took place during the D. A. R. Congress, when many of our members were present. This being the year for the election of officers, the retiring president, Mrs. Callender, nominated one of our most valuable

members for the office—Mrs. Samuel W. Goodwin, of Emporia, Va. Mrs. Goodwin declined to act, owing to pressure of business, and the Chapter then reelected Mrs. W. E. Callender president for the ensuing two years.

I mentioned in my last report that we hoped the grave of the Rev. George S. Summerville would soon be marked, as it was at his request that the National Society D. F. P. A. undertook the restoration work at Falls Church on the old historic church. Our ex-State president, Mrs. James Oden, through untiring effort, has placed a handsome granite monument over his grave. This is being paid for by individual subscriptions.

With greetings from Virginia,

Respectfully submitted,

(MRS. W. E.) ESTELLE V. CALLENDER,
President.

ILLINOIS REPORT.

The Illinois Chapter of Daughters of Founders and Patriots of America has in the past year, as in all previous years since its organization, held the scheduled series of meetings devoted to patriotic and social purposes.

Each opportunity of meeting and greeting has proved an added link of loyal devotion to the National Society and has stimulated a desire to be of service at any and all times, should occasion present the opportunity.

From the new Official Board all items regarding the election, the membership, and the financial status of the Illinois Chapter will be sent to the National Board before the annual meeting in May.

We have added to our membership, and we have met great loss through death, which portion is allotted to all.

Sincerely appreciating every courtesy of the Society during my term of office,

Respectfully submitted,

LAURA DAYTON FESSENDEN,
Vice-President.

DISTRICT OF COLUMBIA REPORT.

The District of Columbia Chapter, Daughters of Founders and Patriots of America, meets at the homes of the members on the first Friday of each month from October to May, inclusive.

At each meeting after the usual routine business is finished we have two papers—a Colonial, and a Family paper—followed by informal discussion. We close with a social hour, during which refreshments are served by the hostess.

We organized in the spring of 1908, and have always had a Year Book.

We have thirty-five members; two new members, and four more have applications pending. We have lost by death a valued member—Mrs. Cynthia Noyes Dowell. Mrs. Dowell was a member of the National Board of Councillors.

Among the papers given during the year were the following, all of which were most interesting: "Extracts from the Early History of Wyalusing, Pa."; Family and Colonial Paper on Samuel Gorton"; "Moravian Bethlehem"; "The Evolution of the Flag"; "Several Different Ancestors of Mrs. Johnston"; "Short Sketches of the First Christmas in America, 1492"; "The Yankee Doodle House"; "A Colonial Character, Sir Walter Johnson"; "John Harrower, Freemason and Schoolmaster"; "Club Life in the Early Days at Annapolis, Md."; "The Platt Family in America."

One member, a great-granddaughter of Thomas Jefferson, gave an interesting afternoon at her home, showing mementoes, family papers, furniture, etc., of that great man.

The Historian brings a short item of historical interest to each meeting.

We donated five dollars to the National Society toward expense of the General Court.

An occasion much enjoyed by us all was the reception to our founder, Mrs. Henry V. Boynton, given by Mrs. Howard L. Hodgkins at her home.

Respectfully submitted,

MARY E. ST. CLAIR,

President.

MARYLAND REPORT.

Two business meetings have been held and two social meetings. The Chapter has contributed regularly to French hospitals or hospitals where the French are cared for.

We have also contributed ten dollars toward Maryland Day—a celebration of patriotic societies—and toward the restoration of the first State House, at St. Mary's City, which was the capital previous to Annapolis.—(Verbal report by Mrs. Potts.)

WISCONSIN REPORT.

No formal report was received from Wisconsin, but the Honorary President, Mrs. Joys, stated that they held two meetings a year, at which both family and historical papers were read.

MISSOURI REPORT.

The Missouri Chapter of the National Society of Daughters of Founders and Patriots of America sends cordial greetings to the officers and members in General Court assembled, and thanks them and the other State Chapters for their invitations and courtesies during the past year.

The Chapter held its annual meeting at the residence of Mesdames Parrish and Southward on the 28th of April, 1915. Reminiscences of their ancestors were given by several members, and interesting sketches of the lives of some of the early New York inhabitants were read.

The Chapter suffered a severe loss the past year in the death of our beloved Recording Secretary, Mrs. James H. Brookmire, who entered into rest September 7, 1915, after a very brief illness. She was one of our charter members and had attended all the Conferences in Washington since our organization, and had represented our State at one of the General Courts.

Mrs. E. G. Tutt was elected Recording Secretary in her place, and Miss Katharine T. Moody was elected Historian. Mrs. Hunter Meriwether of Kansas City, Mrs. Clarence

Buell of Louisiana and Mrs. Sanford G. Scarritt of St. Louis were elected Councillors, and all the other officers were re-elected.

The Treasurer reported our finances in good shape, and will send our usual contribution of five dollars toward the publishing of the History and Lineage Book. Mrs. Theodore Shelton has been our Treasurer since our organization.

Our Registrar, Mrs. E. M. Nelson, reported one new member and one resignation, and several looking up data.

Mrs. E. A. Norris of Joplin represented the Chapter at the Tea and Informal Conference in April.

Respectfully submitted,

ELIZABETH H. DELAFIELD,

President.

ARKANSAS REPORT.

Madam President and Members of the Court:

The members of the Arkansas Daughters of Founders and Patriots of America have been active and zealous during the past year, and it is a pleasure to present the results of our united efforts.

We have been much interested in patriotic education; have contributed "our mite" to the Helen Dunlap Memorial School for Mountain Girls; have aided in rural school work by giving pictures and books, personally visiting the schools, and giving talks on patriotic subjects. We also gave material aid to the flood sufferers.

We had a joyous season when our State Court convened in Batesville on October 20, 1915, at the home of Mrs. John W. Ferrill. The reports of the officers show that we are steadily growing and doing good work in the State.

Following adjournment the members of the Court were entertained by the President with a delightful luncheon. Covers were laid for fourteen, who enjoyed a perfectly served menu in six delicious courses. The conversation was bright and witty, and added its full quota to the pleasure of the day.

We have added two new members to our roll, and several are diligently searching for their lineage.

It was the pleasure of several of our members to attend the Tea and Informal Conference of the National Society on April 18, and I sincerely regret that they can not one and all be present at the General Court.

Respectfully submitted,

STELLA PICKETT HARDY,
President.

OHIO REPORT.

Madam President and Members of the General Court:

The Ohio Chapter extends cordial greetings. It reports increased activity in membership and interest.

Six meetings have been held. The membership is now twenty-one, seven new members having been added to the original sixteen and two having been lost by death during the past year. Of these our eldest charter member—Serena Tucker Wagar (Mrs. Francis Harvey Wagar), eligible on both her maternal and paternal lines—departed this life December 10, 1915, after a brief illness; and Mrs. Frances M. Perkins Pearson (Mrs. John Keeling Pearson) was suddenly called to the other world on March 9, 1916.

Mrs. Wagar was the beloved mother of two of our members, and Mrs. Pearson the cherished sister of another member. The beautiful large silk flag presented to the Chapter by our Vice-President, Mrs. Charles H. Smith, was used on both sad occasions to honor the departed.

The Ohio Chapter has issued a handsome Year Book, a copy of which has been presented to each State Chapter of the Society. A charter is now in Washington and will soon be our treasured possession.

We are interested in historical research, and have original papers read at our meetings. It is our hope to be of practical and inspirational benefit to this great country of ours, to be true patriots at all times.

With assurances of loyal coöperation for the welfare of
the N. S. D. F. P. A.,

Respectfully submitted,

HARRIET MAY WAGAR BARBER,
(Mrs. Arthur Wellesley)

Historian.

KANSAS REPORT.

Madam President and Members of the General Court:

I have the honor to submit the third annual report of the Kansas Chapter of the Daughters of Founders and Patriots of America.

We have had a year of enforced quiet, nearly all of our members having been ill. However, we have been able to hold a few meetings and accomplish a few things.

We have gained one new member, and the papers are out for two more.

On September 24 last we unveiled a marker at the grave of Gov. William Walker at the Oak Grove Cemetery, Kansas City, Kansas. Governor Walker was the first Provisional Governor of the Nebraska-Kansas Territory.

We found his grave unmarked, forgotten and practically lost, although Governor Walker had done more to establish our State than any other one man in the pioneer days of Kansas. He was a Wyandotte Indian, and the Society of American Indians sent a strong delegation to help us honor his memory. This delegation was most picturesque, ranging, as it did, from gentlemen of the highest education and culture to the almost primitive savage in feathers and blanket. The Mayor and other influential citizens of Kansas City, Kansas, together with a large chorus of school children, took part in the exercises. The States of Kansas and Nebraska were both officially represented. In erecting this marker we feel that, no matter how little else we have done, the year has not been spent in vain.

Respectfully submitted,

HARRIET HANDY SHELTON,

President.

At the conclusion of the Chapter reports the Court took a recess and enjoyed a delightful luncheon, after which the roll was called and the Chairman of the Nominating Committee read the slate for National Officers. The Vice-President, Mrs. Thomas K. Noble, was elected President. Three new names were added to the list:

Mrs. Charles W. Brown, Corresponding Secretary.

Mrs. Caroline F. Kirk, Chaplain.

Mrs. Ellen Spencer Mussey, Color Bearer.

Mrs. Mary A. Beach, former President of the District Chapter, was elected Councillor.

"The Star-Spangled Banner" was sung by Mrs. Potts, and the new President declared the General Court adjourned.

At the closing meeting of the Executive Committee, in May, Mrs. Boynton offered a resolution, passed unanimously, thanking Mrs. George G. Martin, the retiring Corresponding Secretary for her valuable service during the past year. For the first twelve years of the Society's existence she filled this post, and although she now leaves it her work remains a lasting memorial on our records.
